

9/5/2018

Dear Anthony,

Thank you for your financial contribution of [REDACTED] from your Non-Profit Organization, Always Progress. We are grateful for the opportunity to collaborate with individuals like you who understand the importance in investing in our youth.

The Overtown Optimist Club (OOC) was founded in 1993 as a volunteer based organization designed to help inner city youth through sports. Since then, it has evolved into an organization that provides an array of services to the community. Services span beyond sports and just keeping youth off the street. Building life changing relationships is the catalyst of our program. By guiding youth to apply lessons learned within our program, in the classroom and beyond.

Our mission is to enrich, empower, and develop leaders in the Overtown and neighboring communities.

Your contributions will support the participation, travel, lodging, meals, or other important components for our children/youth sport activities whom have social-economical disadvantages.

You have created an opportunity for our children/youth to experience and enjoy participating in learning the fundamentals of sport as others.

Please continue to partner with us in our efforts.

Warm regards,

*Trina Harris*
